ANNUAL QUALITY ASSURANCE REPORT (AQAR) OF THE IQAC: 2012-13 Hooghly Mohsin College (Affiliated to the University of Burdwan)

The NAAC has introduced a new on-line questionnaire for the annual report format to be submitted by the IQAC every year. The new format is a survey of the quality sustenance effort undertaken by the institution which would reflect the quality management strategies adopted. Broad areas cover all relevant quality enhancement efforts. It is envisaged that the response pattern by the institution would be a self-learning exercise in quality sustenance effort under taken by the institutions. The survey also intends a quality mapping which would streamline IQAC activities. Based on the quality profile created by the institution, strategies can be adopted to achieve the declared goals and objectives.

INSTRUCTIONS

5. Governance and Innovation

The activities of the institution in the above five sections or in other relevant areas are being surveyed to create quality profile for the year in relation to institutional vision and goals. The survey results would enable the institution and IQAC to create a quality index profile, which would be a self-learning exercise. Apart from the responses to the online survey, in case the NAAC requests for any further evidence, the information may be sent by hard copy .This would enable NAAC to make a diagnostic survey of national higher education scenario and the feedback will be provided to each participating institution.
